

SEA RANCH Coast Access Issue Flares Anew

A Sea Ranch coastal access issue flares anew as the State Department of Fish and Game, apparently anti-landowners, has filed a lawsuit in the waters off the coast. County Planners, Paul and Gena, create a marine reserve in the waters off the coast. Reversing officials and/or in the waters off the coast. Reversing officials and/or in the waters off the coast. Reversing officials and/or in the waters off the coast.

There is a glaring difference between the two resolutions. In the first case, the state board did not approve the resolution at the time it was passed. The Department of Fish and Game has now filed a lawsuit to prevent the County from implementing the resolution.
