### \$2,000 in Reward Offers

It is said he had not yet contacted the girls' parents to question them about the jewelry found near the spot where their bodies were found last week. He said at least one of the girls had perished early. A person who said the parents applied to the FBI for a reward of \$2,000 for information on the disappearance of the girls.

He said, "Every available means possible will be used in order to try to find out what actually happened to these young girls" and the investigation will be assisted in every way possible by the district attorney's office.

As the investigation progressed, however, it became apparent that most of the information about the missing girls had been checked thoroughly at the time their parents reported their disappearance. Officer Robert Hixson said he has searched several areas in the Santa Valley area, near Ukiah and Eureka, and in the Spring Lake and Huerfano Park areas, and that the Santa River area is being searched by the Santa River area.

### Quentin Inmate Strike in Second Day

SAN QUENTIN (UPI) - A weekend, prison official said, the inmate strike at the San Quentin State Prison today in its second day of a work strike by more than 1,000 inmates. The strike, which began last night, is the first in the prison's history. Inmate leaders said some of the reasons for the strike were the prison's overcrowding, the lack of work, and the poor food. The strike is expected to last several days.
