Workmen go through the wreckage of a light military plane that crashed shortly after taking off from Fort Riley, Kan., Saturday. The commanding officer of the 1st Division, two members of his staff and two Army pilots were killed in the crash.

# U.S. agents hunt bomber

ST. LOUIS (AP) — Thirty federal agents and six Louisiana State Police officers have been assigned to investigate a series of bombings that have killed two persons in the last 18 days, authorities said. "We will use everything at our disposal to apprehend this bomber," said Maj. William T. Owen, executive director of the county division of criminal investigations. In the most recent bombing, Archer Moore Fines, 31, was killed Thursday when a high level explosion went off under the front seat of her compact car.

# Loan firm seeks ISC subsidiary

KANSAS CITY (AP) — Beneficial Corporation, a national consumer loan and finance company based at Wilmington, Del., has asked a federal court to declare it the owner of Archer Savings & Loan of Kansas City. Beneficial's petition also asks the court to prohibit a federal bankruptcy judge and the receiver of ISC Financial Corporation of Kansas City from doing anything with the more than \$100 million in assets of Archer Savings & Loan.
